

CHADIS

Memory Book & Care Portal

Parents!

You can create an online baby book with CHADIS! Log into your CHADIS account and select **Create a Memory**.

Memory Book/Care Portal

[Go](#) [Invite Someone to View Eddie's Memory Book](#) [\[why?\]](#)

The Memory Book/Care Portal allows you to track your child's progress by creating an entry. You can even upload a picture!

Did your doctor provide you with a handout? You can view your handouts and resources in the Memory Book!

Also get notices and alerts from your doctor!

If you have any questions about your Memory Book & Care Portal, please contact your pediatric office or CHADIS.
